FOR RELEASE May 14, 2019 513	9 515/281-5834	May 14, 2019	FOR RELEASE

Auditor of State Rob Sand today released an audit report on America's Agricultural Industrial Heritage Landscape, Inc., d/b/a Silos and Smokestacks National Heritage Area (Silos and Smokestacks) for the years ended December 31, 2018 and 2017.

Silos and Smokestacks was organized in 1991 as a non-profit corporation for charitable and educational purposes. The mission of Silos and Smokestacks is to preserve and tell the story of American agriculture and its global significance through partnerships and activities which celebrate the land, people and communities of the area.

Sand reported Silos and Smokestacks' public support and revenues totaled \$778,556 for the year ended December 31, 2018, a 0.73% decrease from 2017. Public support and revenue consisted primarily of a \$693,432 federal grant, provided through the National Park Service, for conserving, interpreting and developing the historical, cultural, natural and recreational resources related to the industrial and cultural heritage of Northeast Iowa. Expenses totaled \$786,435 for the year ended December 31, 2018, a 1.25% increase over 2017, and included \$689,812 of project expenses, \$57,904 of administration expenses and \$38,719 of fundraising expenses.

A copy of the audit report is available for review on the Auditor of State's web site at <a href="https://auditor.iowa.gov/reports/audit-reports/">https://auditor.iowa.gov/reports/audit-reports/</a>.

#### Independent Auditor's Report

To the Board of Trustees of Silos and Smokestacks National Heritage Area:

#### Report on the Financial Statements

We have audited the accompanying financial statements of America's Agricultural Industrial Heritage Landscape, Inc., d/b/a Silos and Smokestacks National Heritage Area (Silos and Smokestacks), as of and for the years ended December 31, 2018 and 2017, and the related Notes to Financial Statements, which collectively comprise Silos and Smokestacks' financial statements listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Silos and Smokestacks' preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Silos and Smokestacks' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Silos and Smokestacks as of December 31, 2018 and 2017, and the respective changes in its financial position and its cash flows thereof for the years then ended in accordance with U.S. generally accepted accounting principles.

#### Other Matters

#### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Silos and Smokestacks' financial statements. The supplementary information included in Schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the supplementary information is fairly stated in all material respects in relation to the financial statements taken as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated May 1, 2019 on our consideration of Silos and Smokestacks' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of Silo and Smokestacks' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> in considering Silos and Smokestacks' internal control over financial reporting and compliance.

MARLYS K. GASTON, CPA Deputy Auditor of State

Notes to Financial Statements

December 31, 2018 and 2017

#### (1) Summary of Significant Accounting Policies

#### A. Reporting Entity

America's Agricultural Industrial Heritage Landscape, Inc., d/b/a Silos and Smokestacks National Heritage Area (Silos and Smokestacks), was organized in 1991 as a non-profit corporation for charitable and educational purposes. Silos and Smokestacks provides technical assistance, youth education opportunities and grant funding to communities and partner sites in the heritage area. Silos and Smokestacks encompasses a 37 county region in northeast Iowa and is federally designated as a National Heritage Area and operates as an affiliate of the National Park Service. The primary source of public support is a grant from the National Park Service.

Silos and Smokestacks is exempt from tax under Section 501(c)(3) of the Internal Revenue Code and a similar section of the Iowa income tax law, which provides tax exemption for corporations organized and operated exclusively for charitable, religious or educational purposes.

#### B. Basis of Accounting

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles. Revenues are recorded when earned and expenses are recorded when the liability is incurred.

Purchases of equipment providing future benefits are capitalized and depreciated.

#### C. <u>Basis of Presentation</u>

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of Silos and Smokestacks and changes therein are classified and reported as follows:

<u>Net investment in capital assets</u> - Capital assets, net of accumulated depreciation.

Unrestricted net assets – Net assets not subject to donor-imposed stipulations.

Revenues are reported as increases in unrestricted net assets unless use of the related net assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or by law.

#### D. Assets, Liabilities and Net Assets

<u>Cash and Cash Equivalents</u> – Silos and Smokestacks considers savings accounts and all other highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

<u>Equipment</u> – Purchased equipment is stated at cost. Capital assets are defined by Silos and Smokestacks as assets with an initial individual cost of more than \$500 and estimated useful lives in excess of one year. Depreciation is computed using the straight-line method over the estimated useful lives of 3 to 7 years.

<u>Compensated Absences</u> – Employees accumulate a limited amount of earned but unused vacation benefits payable. Amounts representing the cost of compensated absences are recorded as liabilities and have been computed based on rates of pay in effect at December 31, 2018 and 2017.

<u>Advances from others</u> – Advances from others represents grant proceeds which have been received by Silos and Smokestacks but will be spent in succeeding years.

# (2) Equipment

A summary of equipment is as follows:

	December 31,		
		2018	2017
Equipment	\$	75,727	81,580
Accumulated depreciation		(68,705)	(67, 358)
Equipment, net	\$	7,022	14,222

#### (3) Employee Benefit Plan

Silos and Smokestacks offers a SIMPLE IRA plan. Under the plan, an employee can defer up to \$12,500 for the years ended December 31, 2018 and 2017 to their SIMPLE IRA. In addition, employees over 50 years of age can defer an additional \$3,000 per year for the years ended December 31, 2018 and 2017 to their SIMPLE IRA. Investments grow tax-deferred, along with employer contributions. Silos and Smokestacks provides a dollar for dollar match for each participating employee's deferral, up to 3% of the employee's compensation. Plan expenses incurred by Silos and Smokestacks during the years ended December 31, 2018 and 2017 were \$10,497 and \$10,520, respectively.

#### (4) Risk Management

Silos and Smokestacks is exposed to various risks of loss related to torts; theft; damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by commercial insurance purchased from independent third parties. Settled claims for these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

#### (5) Matching Grant Activity

Silos and Smokestacks entered into an agreement with the U.S. Department of the Interior, National Park Service (NPS) to receive up to \$15 million of grant funds during the period June 2000 through September 2021, as amended.

In 2013, President Obama signed a continuing resolution reinstating Federal funding through September 2014 allowing Silos and Smokestacks to continue its programs. Subsequent legislation changed the date from 2014 to 2021. The current agreement with the NPS continues to require a dollar for dollar match of Federal funds with non-Federal funds. The match can be leveraged by contributing to projects of other organizations and individuals. During the year ended December 31, 2018, federal funds were over 89% of total revenues.

To the Board of Trustees of Silos and Smokestacks National Heritage Area:

We have audited in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States, the financial statements of America's Agricultural Industrial Heritage Landscape, Inc., d/b/a Silos and Smokestacks National Heritage Area (Silos and Smokestacks), as of and for the year ended December 31, 2018, and the related Notes to Financial Statements, which collectively comprise Silos and Smokestacks' financial statements, and have issued our report thereon dated May 1, 2019.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Silos and Smokestacks' internal control over financial reporting to determine the audit procedures appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Silos and Smokestacks' internal control. Accordingly, we do not express an opinion on the effectiveness of Silos and Smokestacks' internal control.

A deficiency in internal control exists when the design or operation of the control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of Silos and Smokestacks' financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency or a combination of deficiencies, in internal control which is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Silos and Smokestacks' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters required to be reported under <u>Government Auditing Standards</u>.

# Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of Silos and Smokestacks' internal control or on compliance. This report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> in considering Silos and Smokestacks' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of Silos and Smokestacks during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.
